

THE RIVER CARRON NEEDS YOU!

*ROLL UP YOUR SLEEVES,
PUT ON YOUR WELLIES*

Come join the newly formed

**COMMUNITIES ALONG THE
CARRON ASSOCIATION**

In our first big effort to clean up the Carron!

In our 2009 consultation with 16 River Carron communities, the people named the clean up of the River Carron corridor as a top priority. Now will you join us? With the help of Falkirk Council Litter Strategy Team, volunteers are cleaning up footpaths and green areas of the River Carron during the Keep Scotland Beautiful Spring Clean Up.

SHOW THE RIVER YOU CARE!
